CLEANSE ME

Search me, O God, and know my heart today;
Try me O Savior, know my thoughts, I pray.
See if there be some wicked way in me;
Cleanse me from every sin, and set me free.
Lord, take my life, and make it wholly Thine;
Fill my poor heart with Thy great love divine.
Take all my will, my passion, self and pride;
I now surrender, Lord in me abide.

AS WE COME TO YOU IN PRAYER

Now Dear Lord as we pray
Take our hearts and minds far away,
From the press of the world all around,
To Your throne where grace does abound,
May our lives be transformed by Your love,
May our souls be refreshed from above,
At this moment, let people everywhere
Join us now as we come to You in prayer.

I am finding that many people in the Collegedale community are unaware of the Kids in Discipleship program. K.I.D. training offers parents and mentors the opportunity to strengthen their personal relationship with Jesus as well as fully equip them to lead children to experience Christ. Current research shows that there is a clear window of time in which to secure our children's hearts to Jesus. According to barnaresearch.org, people are most open to accepting Jesus between the ages of 5-13. After that time it becomes more difficult to make this life-changing decision.

Pastor Don MacLafferty has written a book of faith-gripping stories of real children and families trusting, following and sharing Jesus. Each story is followed by a timely passage from the Bible, and each chapter will provide "Mentoring Moments" for you and your family. These Mentoring Moments are opportunities for you to stretch your journey with loving Jesus Christ. We would like to share this [free] book with people in this community and beyond. We would be happy to provide your church with a supply of books for your library, literature rack or for distribution to your congregation.

Sometimes it is hard for them to get there because of finances. Would you consider sponsoring some of them to come to the convention? Imagine if more of the local church communicators would be able to get training on how to do communication for their local church — how great would that be?"
